BUILDING A NEW TESTAMENT CHURCH THROUGH PRAYER AND FASTING

"Declare a holy fast; call a sacred assembly. Summon the elders and all who live in the land to the house of the Lord your God and cry out to the Lord." - Joel 2:15

"Is this not the fast that I have chosen: To loose the bonds of wickedness, to undo the heavy burdens, to let the oppressed go free, and that you break every yoke? Is it not to share your bread with the hungry, and that you bring to your house the poor who are cast out: when you see the naked, that you cover him, and not hide yourself from your own flesh? Then your light shall break forth like the morning, your healing shall spring forth speedily, and your righteousness shall go before you: the glory of the Lord shall be your rearguard. Then you shall call, and the Lord will answer; you shall cry, and He will say, 'Here I am.' - Isaiah 58:6-9

The purpose of fasting

1. To seek God's guidance and wisdom - Acts 13:1-3
2. To grow deeper in our relationship with God - Isaiah 58:1-12, Zechariah 8:22-23
3. To receive deliverance from the bondage of emotional, spiritual, physical sickness, sexual addictions, and other spiritual oppressions. - Mark 9:14-29; Isaiah 58:6
4. To petition God for revival and special anointing of the Holy Spirit - Joel 1:13-14, 2:12-15, 2:28-31

Four kinds of fasting

Consult your physician first before fasting

1. **The Normal Fast:** To go without food (water only) for a definite time. Acts 27:33, Matthew 4:2
2. **The Absolute Fast:** To go without all food and water for a short time period. Ezra 10:6, Esther 4:16, Acts 9:9
3. **The Partial Fast:** To omit one meal a day or to omit certain foods for a determined time. Daniel 1:12, 10:3, Matthew 3:4, Luke 1:15
4. **The Rotational Fast:** To eat food from one food group for a determined period.

THE DANIEL FAST TIPS

NO MEATS, TREATS, OR SWEETS!

Fast with a Purpose

Before you begin, decide on the purpose of your fast. Otherwise, without a purpose, you will be merely dieting. So prayerfully consider the focus of your fast.

For example, what is your greatest need now in your life? Do you want to learn to trust God in a deeper and more consistent manner? Could your marriage be stronger? Do you have financial pressures? Do you have family members who don't yet know the Lord or have walked away from the Christian life?

Invest some quality prayer time and decide on a purpose for your fast. Then plan for your prayer and study time. Gather books and study materials to help feed your spirit and guide your quiet time.

Most men and women on the Daniel Fast find it helpful to journal during their consecrated time of prayer and fasting. Write expecting the Holy Spirit to partner with you as you seek a greater level of intimacy with your Father.

What is the Daniel Fast?

The Daniel Fast is a biblically based partial fast. It is a method of fasting that men, women, and young people all over the world are using as they enter into the spiritual discipline of prayer and fasting.

There are two anchoring scriptures for the Daniel Fast. In Daniel 1 the Prophet ate only vegetables (that would have included fruits) and drank only water. So, from these scriptures we get two of the guidelines for the fast:

1. Only fruits and vegetables
2. Only water for a beverage

Then in Daniel 10 we read that the Prophet ate no meat nor any precious breads or foods and he drank no wine for 21 days. So, from this scripture, we get a third guideline:

3. No sweeteners and no breads

Another important guideline is drawn from Jewish fasting principles, where no leaven is used during the fast. So that's why yeast, baking powder and the like are not allowed on the Daniel Fast.

Finally, with all the above puzzle pieces, we conclude that no artificial or processed foods nor any chemicals are allowed on the Daniel Fast.

Be sure to read the ingredients on labels of prepared foods to make sure they only include Daniel Fast friendly ingredients.

The Daniel Fast for the body, soul and spirit

The Bible teaches us that we are a spirit, we have a soul and we live in a body. The Daniel Fast affects all three parts of us as we enter a period for focused prayer and fasting.

The Body: Certainly, our bodies are effected as our diet is changed, for some in very dramatic ways, during the Daniel Fast. Many men and women experience detoxing from caffeine, chemicals, and sugar. The symptoms are most often headaches, leg cramps, fatigue, and malaise.

Most people lose weight during the Daniel Fast. And many report healings from diabetes, allergies, arthritis, and cancer.

The Soul: Frequently referred to as "the flesh" in the Bible, the soul is also greatly impacted during the Daniel Fast. The soul is the seat of our emotions, intellect, personality and will. It is in the "soulish realm" where we experience cravings, frustration, anger...and even happiness.

During the Daniel Fast, your soul may very well rebel against the dramatic change in your diet. Experiencing and winning this battle over the flesh is often one of the most powerful lessons of the Daniel Fast.

The Spirit: Our spirit is that born-again part of us that surrenders to God and then abides with the Father and the Son. Our spirit is filled with the Holy Spirit when we yield to Him.

During the Daniel Fast, we want to put our spirit in charge of the other two parts of us. When our flesh is acting out with a craving, we take control of it with our spirit (just as a parent takes control of a rebellious child).

Fasting is always coupled with a spiritual goal. So, during this time of fasting, you will want to focus on prayer, study, and meditation. **An important question to ask yourself...**

During your Daniel Fast you will have many times when you might want to "stretch the rules" a little bit. For example, even though the guidelines say we are to drink only water you conclude that herbal teas are vegetables and water is water and therefore you will go ahead and drink herbal teas during the Daniel Fast.

But I encourage you to learn a powerful spiritual lesson by asking yourself (examining your heart) the question, "Why do you want the herbal teas?"

My guess is that the answer will be, "Well I just want them. I can't drink only water. I have to have something else."

The Daniel Fast teaches us to deny our "selves" and instead put our spirit in control over our flesh. As you plan your meals and eat your food, keep in mind that the definition of a fast is to deny food for a spiritual purpose.

What if you have health issues?

Fasting should never bring harm to the body. And if you have concerns, be sure to consult your health professional before going on the Daniel Fast or making any major dietary change.

The Daniel Fast is a very healthy way to eat! So, health professionals will support this eating plan, but might suggest a few modifications if you have health issues that need special attention. For example, pregnant and nursing mothers might get instructions to add fish, chicken, and cheese into the Daniel Fast, but otherwise stay the course. Diabetics may need to add more carbohydrates or include chicken and fish. Also, those who are especially active either through sports, bodybuilding or vocation may need to slightly alter the eating plan.

How to study the Bible

During your Daniel Fast you will spend time drawing closer to God and studying His Word. You may already be experienced in studying the Bible and have adopted methods that will work for you. But if you are like many who feel a bit lost then it's just them and a Bible, let me offer these tips.

Study Faith

A very powerful study is to get a concordance and look up the Scriptures about "faith." Read and meditate each one and then ask yourself how it applies to you. Consider memorizing at least one of these verses each week.

Enter His Secret Place

During the Daniel Fast, study and meditate on Deuteronomy 28:1-14; Psalm 34 and Psalm 91. Don't hurry through the Scriptures. But instead read the verses slowly and ponder them. Write down insights you gain during this time.

Study the Book of John

Use your Daniel Fast time to acquaint yourself with Jesus by getting to know Him from the Book of John. Read it repeatedly paying attention to Christ's nature, His love for the Father and His love for you. Keep notes and choose a verse each week to memorize.

One of the most powerful lessons I ever learned took place when I was trying to gain greater understanding about our makeup: we are a spirit, we have a soul and we live in a body. I wanted to know more of how that relates to my Christian life. It was a simple little exercise, but the revelation was amazing and has given me so much understanding!

The understanding I gained has also helped me so much during the Daniel Fast and when dealing with emotions and circumstances. I encourage you to take a few minutes to draw a little picture. Hopefully you too will gain much insight about yourself and our relation to the Spirit.

Step One: Get a sheet of paper and on the top half, draw three side-by-side stick figures. Under each of stick figures, name them as Spirit, Soul, and Body. Now on the top of the paper, write your name. Take a couple of minutes and think about this being a "portrait of YOU!" As simple as this is, this little drawing shows you as a spirit, a soul, and a body.

Step Two: It is your spirit that is born-again when you accept Christ as your Savior. It's often referred to as the "inner man" or "the new creation." Under the "spirit" figure, write the character qualities of the spirit. You can look up Galatians 5: 16-22 and see the nine fruits of the spirit. List them under your "spirit figure."

Step Three: The "soul" is also referred to as "the flesh." It is where our will, emotions and intellect reside. This is the part of us that we surrender to God to be transformed into the ways of Christ. Under the "soul" label, make a list of what comes out of the soul (i.e. anger, pride, jealousy, etc.).

Step Four: The "body" is like a puppet and subject to what the "spirit" or the "soul" cause it to do. The Word says that our body is the "temple of the Holy Spirit." Yet, too often we don't treat our bodies in this esteemed state. Our soul-man feeds it foods that are not good for it or we bring destruction to it.

During the Daniel Fast, we are putting our spirit in charge over our soul and our body. When our soul cries out, "I want that cup of coffee!" or, "I want that hamburger!" our spirit tells our soul to, "Sit down and behave. I am in charge. You can't have everything you want." This authority from our spirit can also take place when resentment, fear or jealousy try to take command in us. Again, we say choose the way of faith. We walk in the spirit as He is in the Spirit. Instead of resentment, we choose forgiveness. Instead of fear, we choose trust in God. Instead of jealousy, we choose thanksgiving. Instead of darkness, we choose His marvelous Light. Instead of death, we choose life.

Study this simple "portrait." Let it minister to you and bring truth to your spirit. And allow it to give you understanding as you continue through this period of prayer and fasting.

The Daniel Fast and Your Health

The purpose of the spiritual fasting is to consecrate (set aside) a specific period of time to draw closer to God to hear from Him. A powerful side benefit of the Daniel Fast is the improvement in health that most people experience.

The Daniel Fast is a plant-based eating plan with the only beverage being water. When the bodies that God designed and created are fed the good quality foods He created especially for it improvements in health result. The high fiber in the fruit, vegetables and whole grains cleanses the body and improves digestion. It's common for cholesterol levels to drop, for blood sugar levels to balance, for weight to be lost and for a general feeling of well-being to be experienced.

Anytime you make a significant change in your diet or exercise, consult your health professional. Also, if you have special health needs consider adjusting the eating plan to meet those requirements while maintaining the other restrictions for the fast.
